4" access slot option

Available:

- With or without 4" access slot
- Clear or Frosted acrylic
- Gray bracket color paint finish

Comes with two types of foam pads for the underside of the bracket plates based on installation needs. One pad helps to prevent the screen from skidding on the worksurface, and the other pad uses double-sided tape for more of a secure attachment.

L-Shape or U-Shape Acrylic Screen Mixed Combination Clamp

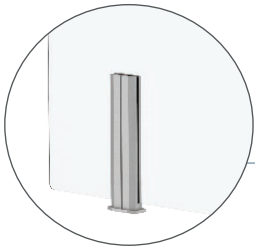

Corner Connector Kit

Dimensions		Catalog #
2 brackets to connect 1 corner	\$50	SCNCCK
4 brackets to connect 2 corners	\$80	SCNCCK2

Available in color coordinated bracket paint finishes

Easily assemble a L- or U-shape configuration using corner connector kits, for solid stability and even alignment. Corner kits use adhesive (double sided tape) to attach two panels together on the interior corners.

Clamp mount screens can even have a mixed combination, with the edge mount along the back of the work surface and the top mount on the sides.
