

## Live Seating

Practical Live seating combines style, comfort and versatility. Whether it's private office, cafés, shared space or break rooms, Live is a great solution. Generous proportions welcome users of every size. Live side chairs stack, gang, and transport with ease. Live can be specified in a large selection of 100% recycled fabrics.

Material	Weight (lb)*	Post-Consumer Recycled Content*	Pre-Consumer Recycled Content*
Steel	7.03	48.6%	31.4%
Plastic	2.86	0%	10%
Fabric**	.68	30.1%	31.5%
Wood (plywood)	8.75	30%	70%
Misc. Parts	.25	0%	0%
Foam	1.78	0%	0%
<b>Total</b>	<b>21.35</b>	<b>29.3%</b>	<b>41.4%</b>

\* Based on a typical configuration for Live II, the “worst case” model of the series.

\*\* Based on the average content of all standard offering fabrics.
