Intrinsic Versatility.

Intrinsic makes it simple to create a welcoming place to work — without breaking the budget. The collection offers classic appeal and a user-friendly approach to workplace design. Attractively priced, Intrinsic's simple, non-handed components and full array of models and sizes provide the flexibility to craft beautiful solutions for every space. From the front reception desk to the private office, Intrinsic sets a well-dressed tone for the entire workplace.

Executive Suite.

Enjoy an upscale presence at a sensible price. With exceptional quality and a sophisticated range of beautiful finish options, Intrinsic brings a premium look to the corner office. For an even more impressive presence, Intrinsic Executive features generous 1.5" tops, offered with a choice of decorative fluted or a flat edge band.

Meeting Spaces.

Create beautiful, high-functioning meeting and conference spaces with Intrinsic modular components. Designed to support today's technology in style, the long-lasting, durable construction is well suited to the demands of active work teams.

Individual Spaces.

Intrinsic's design flexibility allows you to enjoy a space that expresses your own work style and personality. The modular design makes it simple to create complete floor plans with one furniture platform — and it's just as easy to change when needs shift. Intrinsic's exceptional quality brings a polished, professional ambience to your private place.

Have it Your Way.

Choose from a palette of beautiful woodgrains and versatile neutral solids. Dress it up or keep it simple with one of the five Pull options. Select from five decorative insert colors. Opt for a Flat or Fluted edge for Intrinsic Executive.

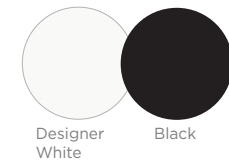

Intrinsic offers plenty of ways to express your personal style.
