
Levado™

Height Adjustable Table

WINNER
2021

Trendway >

Your workspace, elevated

As humans, we were made to move. Our bodies have to stay active to stay healthy. And yet, most of us spend the majority of our workday sitting.

The Levado offers a versatile solution to height adjustable working. Combining practicality with style, users can effortlessly add movement at the single touch of a button. Why stand for anything less?

Get Ready to be the best at your desk

The Levado is designed for the modern office. Find your workflow with the perfect blend of functionality, flexibility, and style that the Levado brings.

QUICK

The Levado frame has been engineered for quick and easy set up, and the patent-pending SwiftLok™ design is a cost benefit not to be underestimated. Save time and money with a base that ships complete in one box, and foldable legs that lock into place with no frame assembly.

SMART

The Levado features a sophisticated SoftTouch control paddle with four programmable memory settings, a premium LED display and built-in collision detection safety feature, enabling users to achieve their perfect adjustment every time.

FLEXIBLE

The Levado table is offered in a three-stage base to deliver more height adjustment flexibility of 24.5" to 48.5" to accommodate a wide range of users. A single base can support two depths and multiple widths of worksurfaces, providing an easy option for retrofit scenarios.

WORKSURFACE SIZES

- 24" x 48"
- 24" x 54"
- 24" x 60"
- 24" x 66"
- 24" x 72"
