

LumaTouch™

LED Desk Lamp

Pure illumination where you need it — with a simple touch!

The elegant LumaTouch™ personal task light is impressive in every way — beauty, sustainability, performance. The single control responds to the lightest touch to turn on, off, or to dim to the perfect level. The intuitive adjustment arm allows users to position the lamp effortlessly. Energy-saving LED technology creates blended lighting for optimum visibility.

LumaTouch LED Desk Lamp >
