LIVE COLORFULLY

Finally, a color palette with your name on it. Our latest standard offering comes in directions that are soft, expressive, and perfectly suited for the spaces you have in mind. Best of all, it's backed by proven Trendway lead-time assurance. Nothing could be more refreshing.

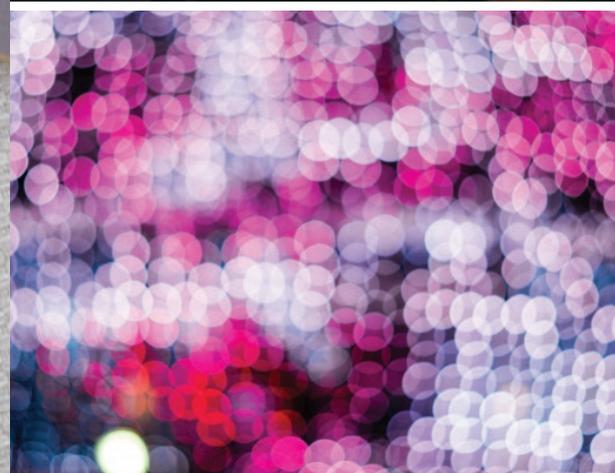

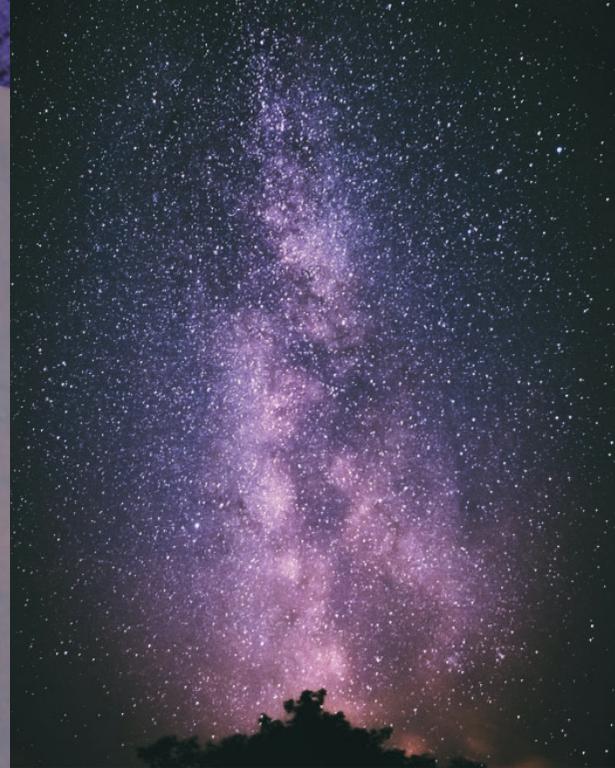

OPPOSITES ATTRACT

Create a dramatic contrast and elevate your space with a color palette that's both timeless and modern.

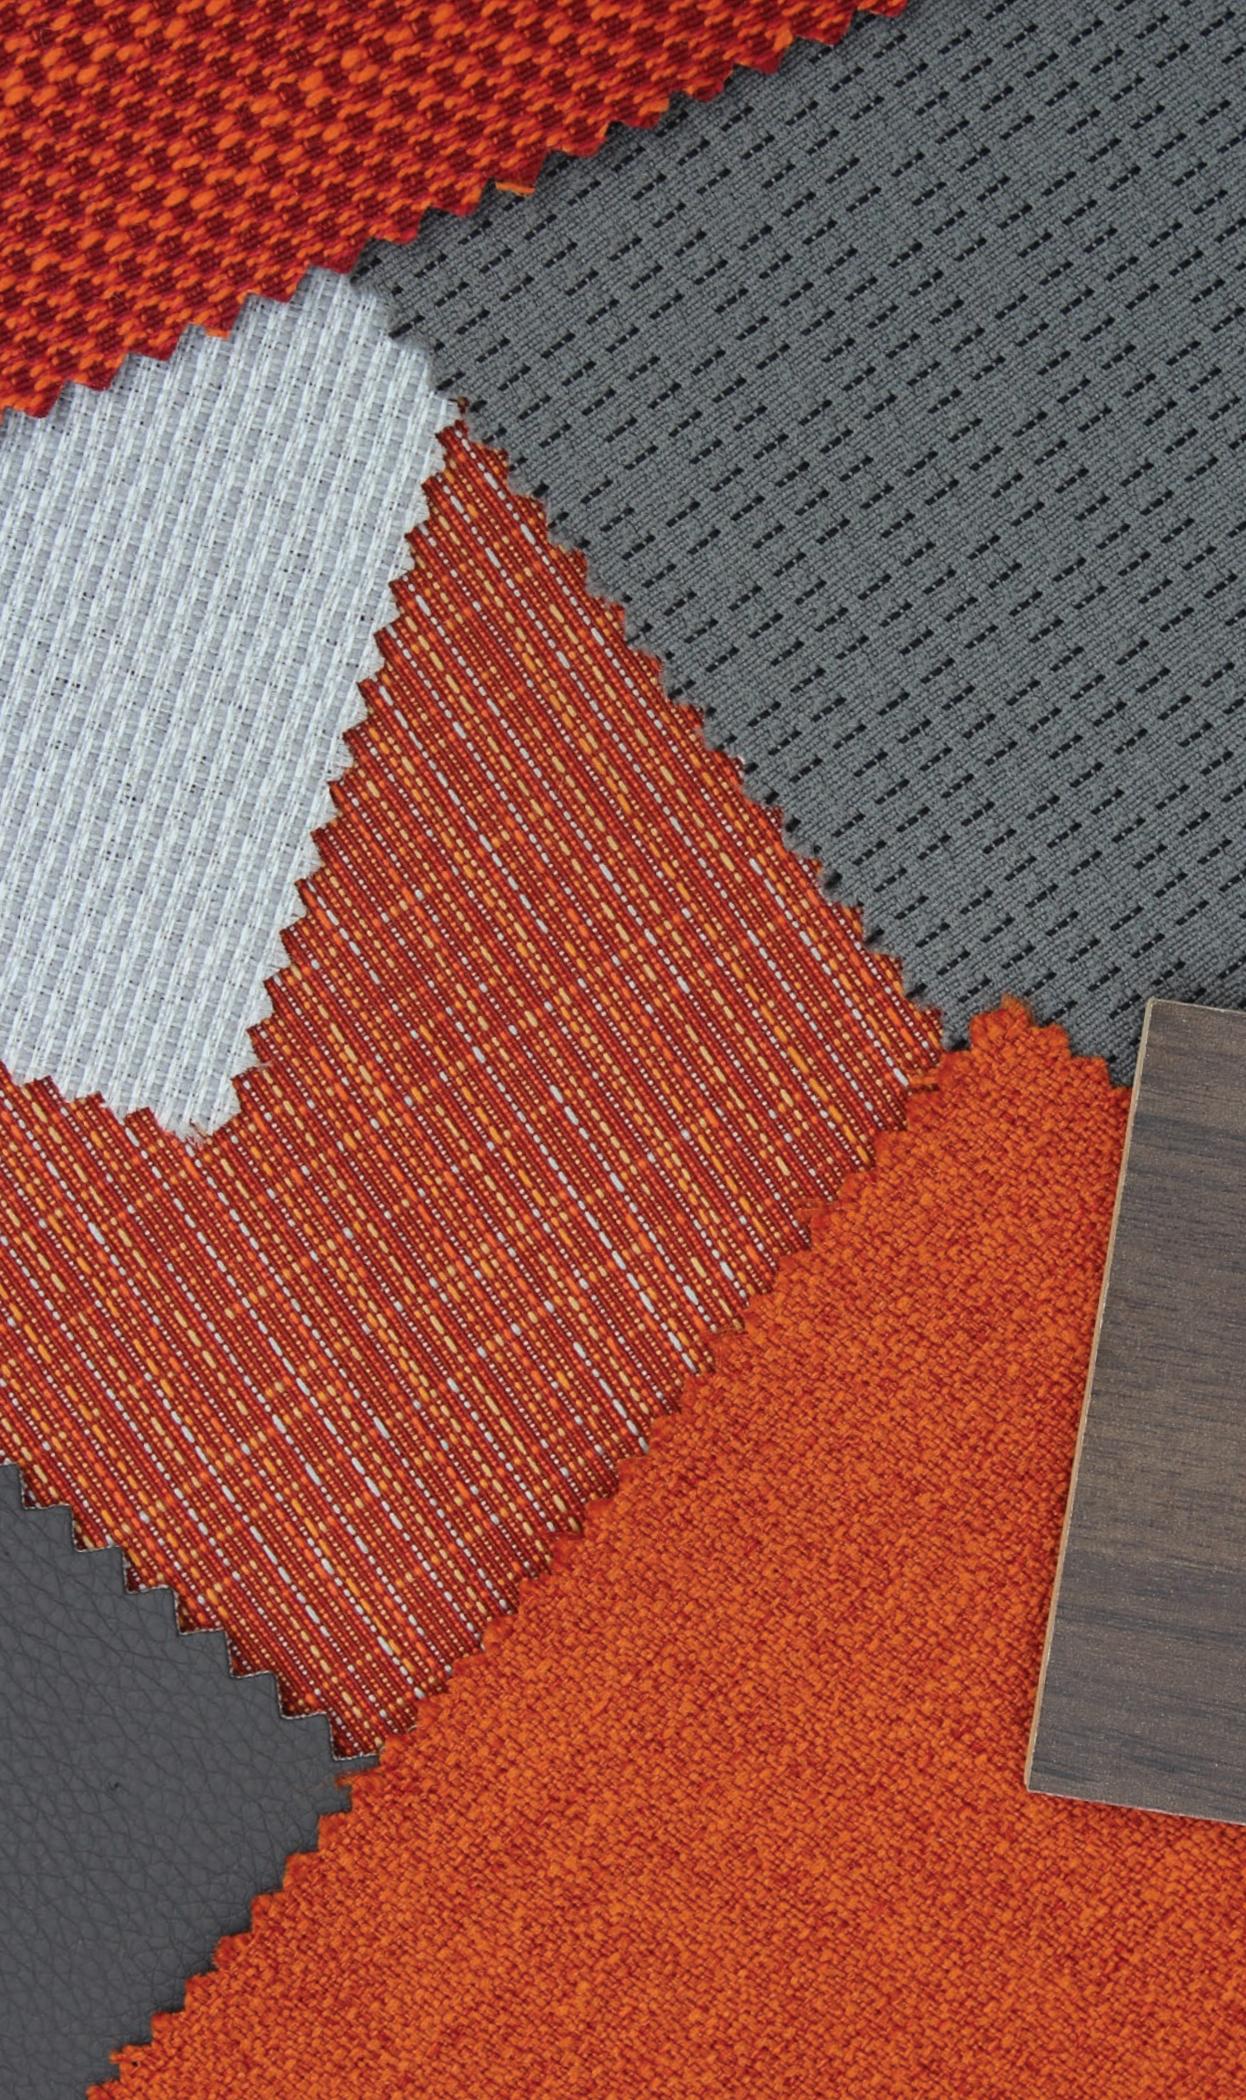

COZY CONTEMPORARY

Soft, muted, and perfectly suited for your office culture. Nothing's more current, comfortable, or cozy.

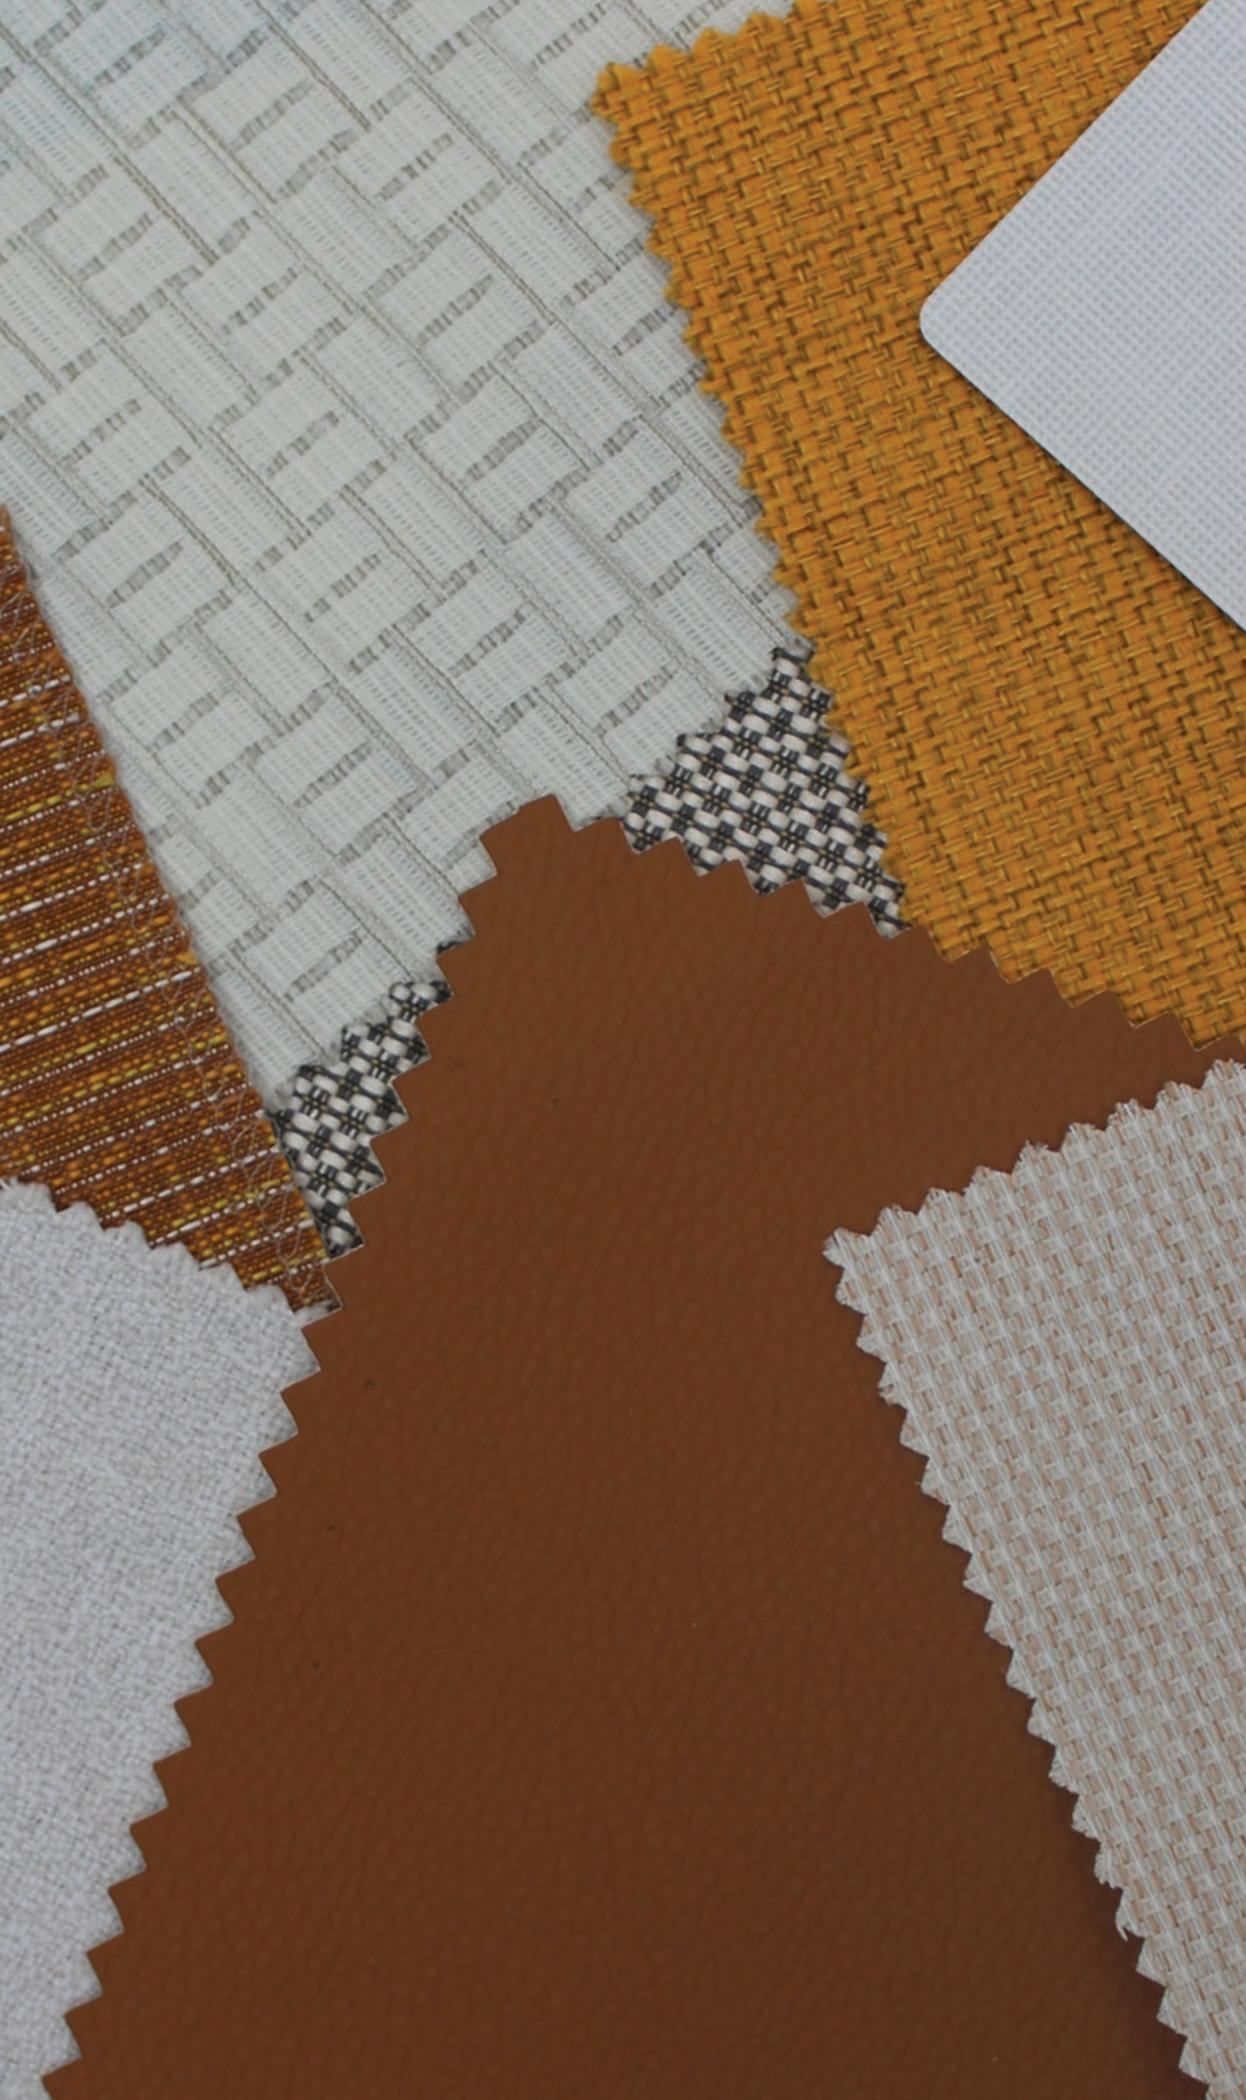

GALACTIC GROOVE

This universally admired color palette, nothing stands between you and the heavens above.

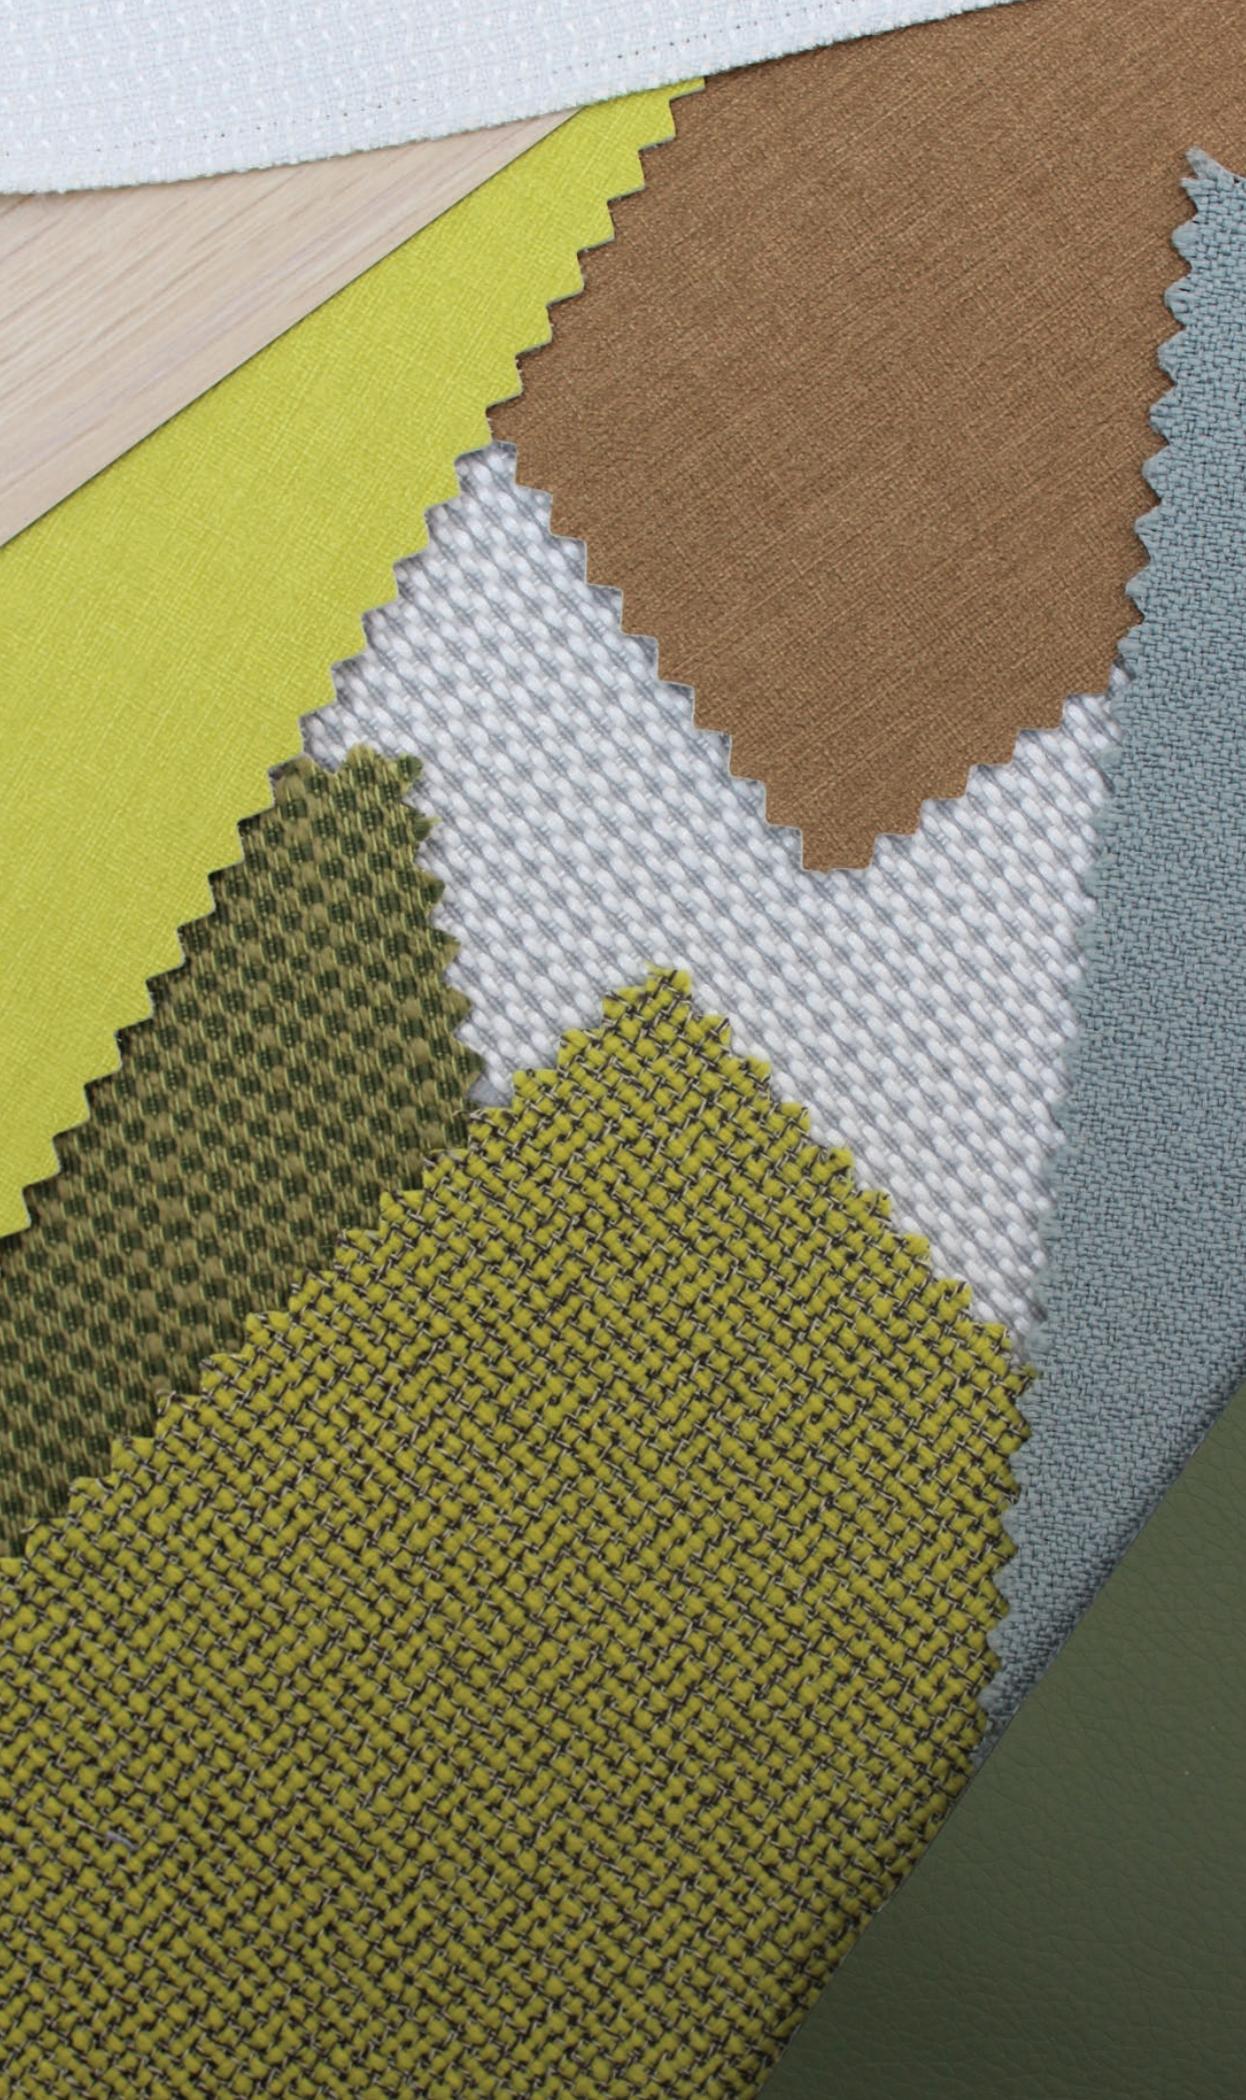

MOROCCAN MOMENTS

You don't need a passport to find your happy place. Surround yourself in warmth and richness every day you come to work.

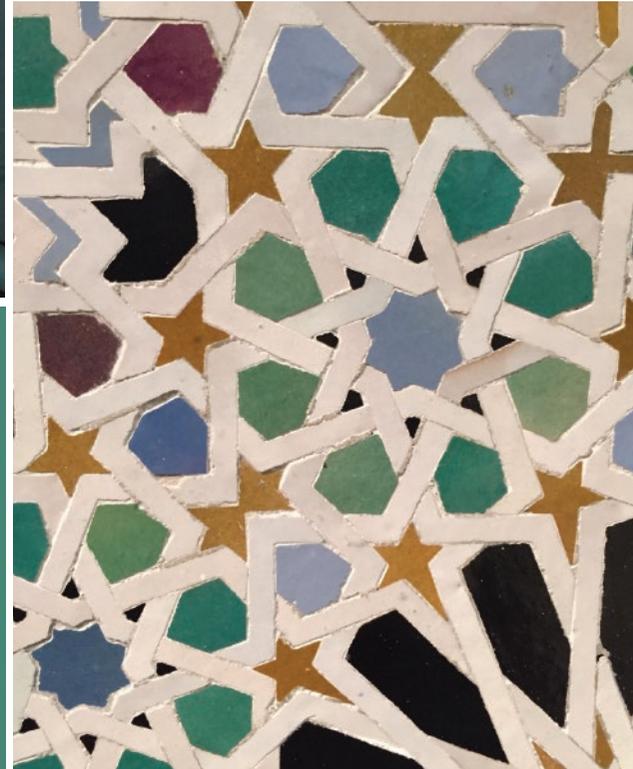

HELLO MELLOW

Brighten things up a bit without going overboard. Warm pops of color are always the right prescription.

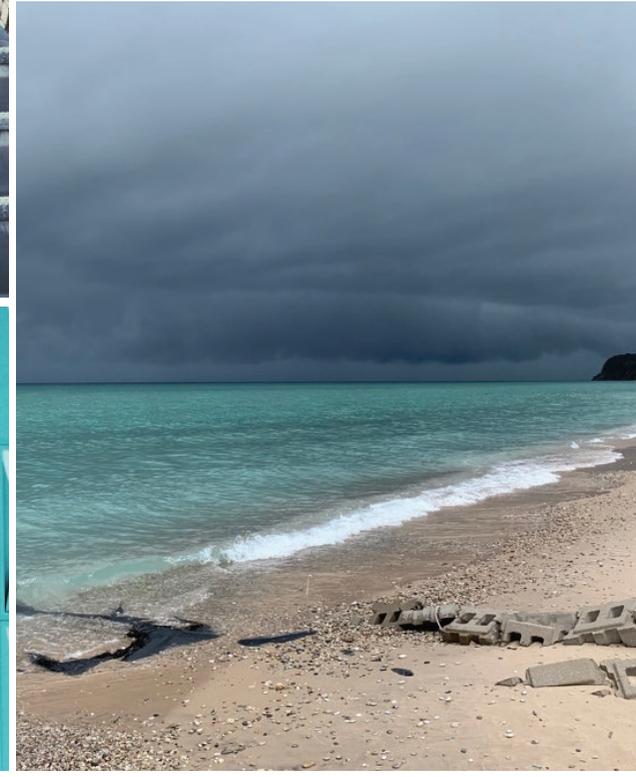

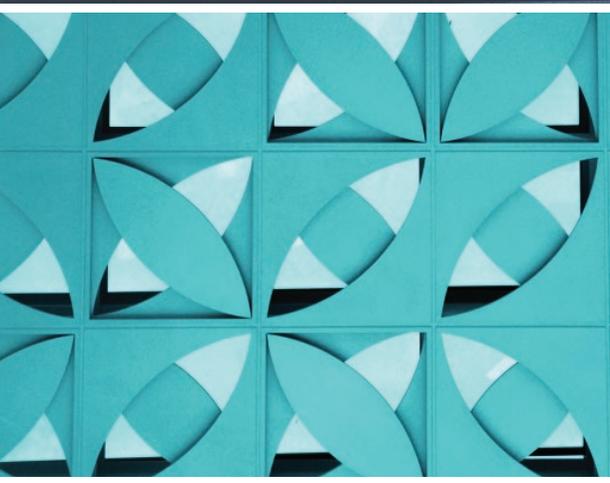

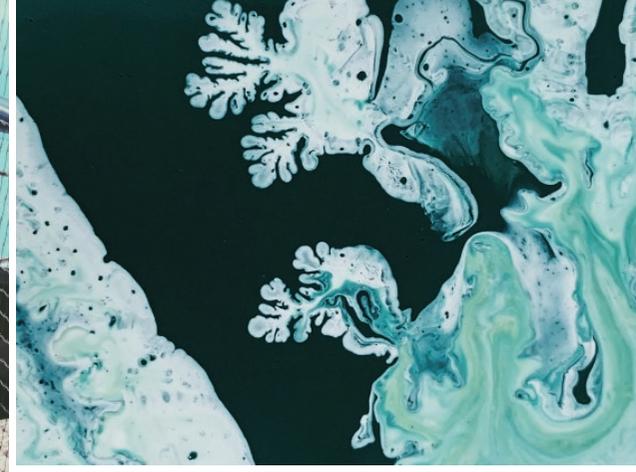

SPROUTED GREENS

Earthy, organic, and unapologetically opportunistic. Farm life is never far from your heart or your office.

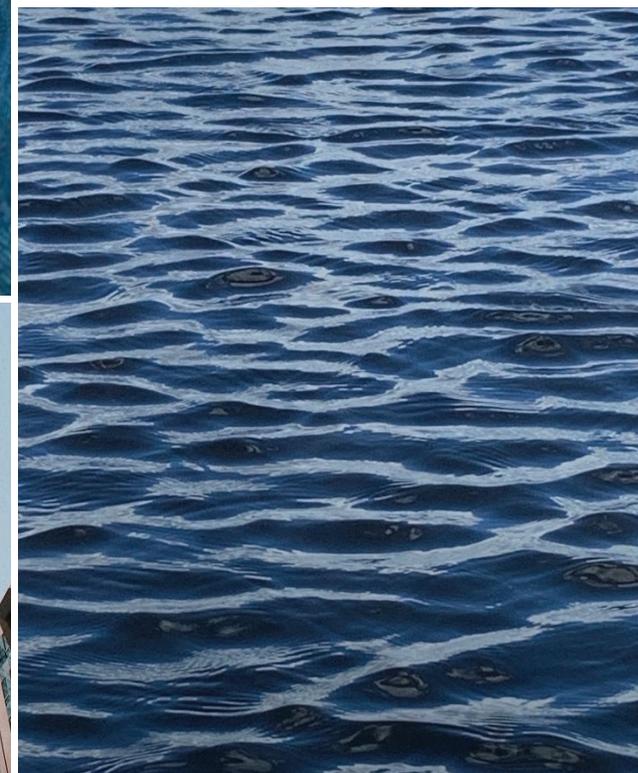

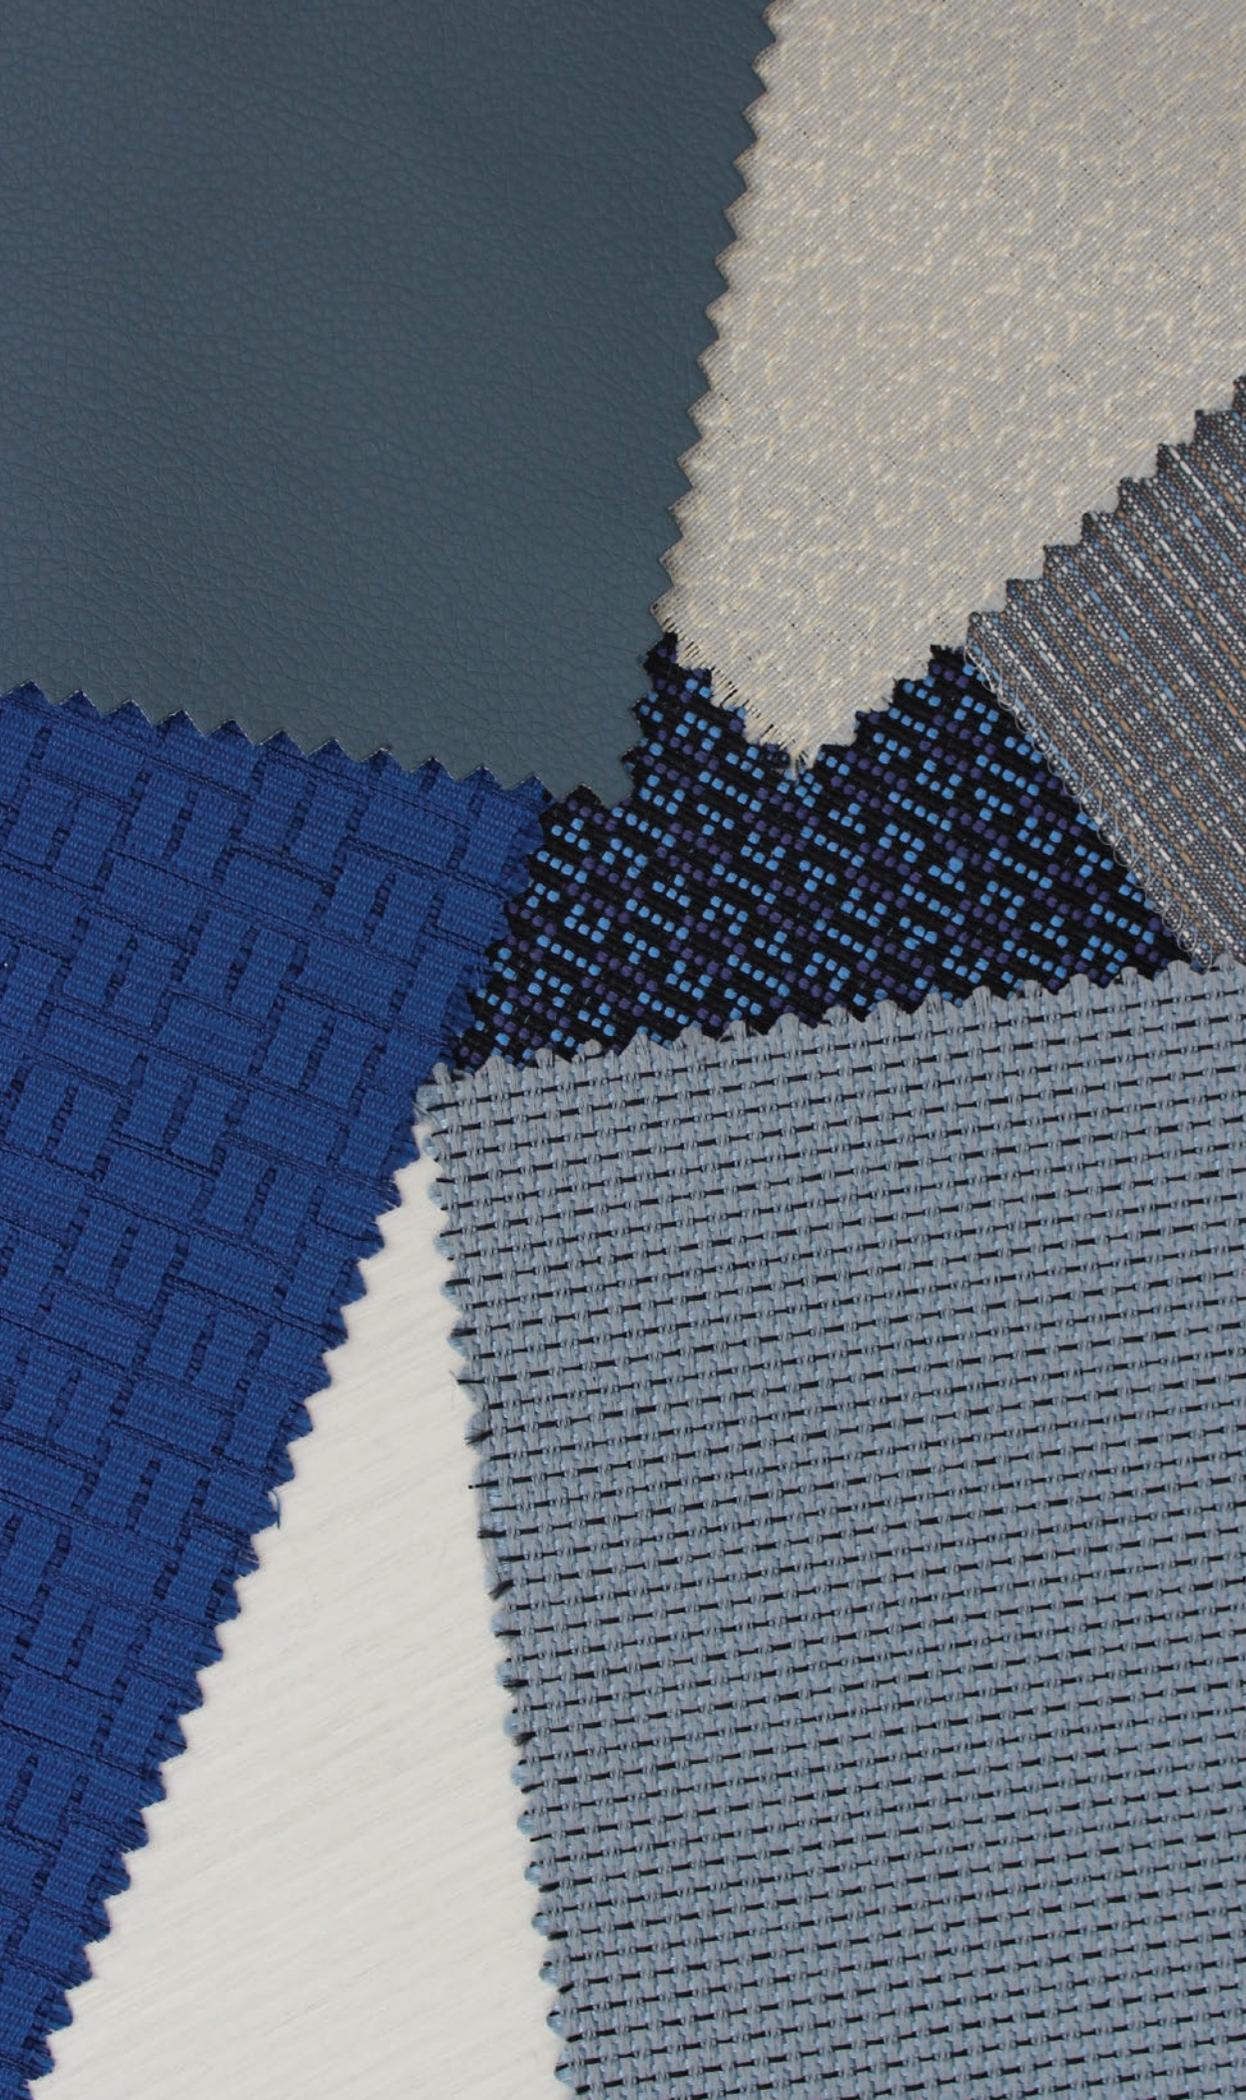

SERENE GREEN

Can you be warm and chill at the same time? You're looking at it. A color palette designed to take the edge off.

GREAT LAKE

Bring an open water vibe into your workplace — because there's nothing quite like a day on the lake.

DENIM BLUE

There's no question, blues are your bliss. It's that can't-miss color that saturates your life and lifts your mood.
