A New Level of Wellbeing

Need a little more movement in your life? The all-new Rejuve height adjustable table keeps workers feeling healthy and rejuvenated. Available in 2- or 3-stage versions, it comes with an intuitive paddle for easy height adjustments throughout the day. Users can also track the table height from an integrated digital readout. Available in multiple sizes and any Trendway laminate finish, Rejuve is a healthy addition to your office.

Adjusting Perfectly to Today's Workplace

Facilities friendly

Rejuve is available as an individual stand-alone table or it can fit right into system solutions with no interference. You'll get your team up and moving without missing a beat, as Rejuve assembles quickly with an easy connect and lock frame set up.

Healthy savings

Rejuve is priced to give more workers an opportunity to feel better. After all, having alert and productive employees shouldn't have to come at a price.

Perfect complement

Rejuve fits in perfectly with our entire lineup of products with bases in Trendway Designer White, Charcoal and Platinum. Tops can be specified in any surface size and finish option we offer.

Intuitive design

An ergonomic paddle makes height adjustments quick and easy. An integrated digital display allows users to view and recall their preferred seated/standing heights.
