The Elea chair was designed with every line and curve to be both aesthetically distinctive and pleasing. Crafted with premium materials, Elea redefines sitting by seamlessly moving with your body while integrating with your workspace.

It will move you, literally.

Elea | EXECUTIVE + CONFERENCE

Elea | Suspended Seat Pan | Alloy Steel Rods provide elevated comfort | Adjustable Tension | Height Adjustable | Breathable Mesh | Tilt Lock | Hubless Casters

UPHOLSTERY COLORS

Black Mesh Grey Mesh

Elea Seating available in Black Mesh with Black Chair and Grey Mesh with White Chair.

Designed to Move

Elea challenges stagnation through movement while sitting. Elea moves with you.

Engineered to Suspend

Fellowes created a revolutionary chassis that suspends the seat freely — a concept never before seen on a chair.

# T51

## Simple sophistication

T51 | EXECUTIVE

Winner of four international design awards, the T51 Chair combines comfort technology with elegant design. The sleek profile is shaped to fit the natural curve of the body. A full array of standard ergonomic adjustments let T51 easily fine-tune to support every user, and it's rated to support up to 300 lbs. The T51 Guest Chair's simple cantilever design is ideal for conference rooms and side seating. And all T51 models are on Trendway's Express program for quick 3-day shipment.

# Code

## Proportioned for comfort

Code | EXECUTIVE | MESH

With a lean, smart profile that's generously built for comfort, Code adjusts easily to provide supportive seating for people large and small. The beautiful polished aluminum frame defines a supportive mesh back. Executive and Task models provide standard full ergonomic controls, including adjustable arms and seat depth. The Conference model provides affordable elegance. All models except the Stool are rated to support up to 300 pounds.

# Snap

## Ergonomic seating for day-to-day performance

Snap | HIGH BACK

MID BACK

Hardworking seating that makes day-long comfort a Snap. With many ergonomic features and a wide array of design options, it's easy to select a Snap chair just for you. Choose between a black or polished aluminum base, and a Loop or Adjustable arm. There's a Snap to suit everyone.

Snap | Feature options include: Multiple chair mechanisms | Adjustable armrest or loop design | Mid back or high back | Fully upholstered seat and back with height adjustment (standard)

# Rexxi 2

Simply, a great chair

Rexxi 2

Rexxi 2 makes selecting a great chair simple, with all the best features standard in one package: comfort, ergonomics, adjustability and value. The innovative spring-coil enhanced cushion provides truly remarkable comfort. A stylish mesh back and classic black upholstery complement any interior and the chair easily adjusts for users of all sizes — it's even rated for up to 300 lbs.

# Zadi

Just Right

Zadi | Mesh Back

UPHOLSTERED | MESH BACK

UPHOLSTERED | SHELL BACK

UPHOLSTERED

Zadi is a versatile multipurpose chair that adds refined, contemporary appeal wherever it's put to work. The slim, stylish profile reflects today's lighter, more flexible office aesthetic.

An ample menu of fabric, finish and style options lets you select the look and feel to enhance any décor. Upholstered, non-upholstered and mesh back options all complement the classic chrome base, as well as the platinum and black base. It's just right for so many spaces.

## COLORS

# Series Y

Good looks, great value

Series Y | MID BACK

MID BACK

Series Y provides comfortable, affordable Executive seating that ships quick. The molded foam contour back and waterfall-front are designed for comfort. Includes standard pneumatic seat height adjustment, pivot knee tilt and Black bonded leather upholstery. Ready for immediate delivery with our fast Express shipping.

Series Y | Knee-tilt mechanism | Black bonded leather | Five-position tilt lock | Seat height adjustment | Tilt tension control

# Zego

Ready, set, Zego!

Zego | Black

7 standard upholstery colors, additional options available.

Gold Orange Red Green Blue Grey

Go for the best in design, comfort, quality and value in a flip/nest chair! Zego embraces the body with comfort and pleases the eye with style. The smooth, responsive flexing back enhances user comfort, especially during long meetings or training sessions. Zego zips into place when needed, then nests snugly out of the way when not in use. Perfect for spaces where people meet, learn, work, and relax.

# M11

## Personality meets functionality

Our M11 seating blends fun, form and innovative function for a unique seating experience. The smooth, flexing seat design responds to the user to provide maximum comfort in a multi-purpose chair. Options include arms or armless, tablet arm, under-seat book rack, ganging glides and storage cart.

The smooth, self-adjusting design supports motion and flexes with your every move for greater comfort.

### COLORS

# Quello

## Elegance for any setting

The Quello Bar Stool makes a bold statement — quietly. Long, slender, polished legs support a slim, gracefully curved seat, molded to support the human body. The stool is scaled for a wide range of body types, with a generous seat pan and well-placed foot rest for user comfort. Classic Red, White and Beech colors complement the Chrome steel frame.
